## 1. Welcome

### Welcome message from the LEN President

**Dear Friends,**

LEN is immensely proud to extend the circles of the host cities for its major events. With the European Diving Championships to be held in Kyiv, a great new chapter is opening both in the history of Ukrainian diving and LEN.

We know, taking on this duty was a long-term plan or, may I say, dream of our Ukrainian friends and now we are all witnessing this dream coming true. It's also a fine proof for their love towards diving and ultimately to show us that beyond all hardship sport stands out as a tool to unite the people and put smile on everyone's faces.

Diving in this great country enjoys special appreciation, thanks to the fantastic results obtained in recent events. The greats like Ilya Kvasha, Yulia Prokopchuk – winners in London 2016 –, Oleksandr Horshkovozyov, Hanna Krasnoshlyk and the others are all respected members of the European diving family. They are always ready to show something special, to deliver their very best in any competition.

Kyiv is a city of beauty, the facilities are at world-class level, the hotels cater all demands, we have already witnessed the dedication of the local organisers so all members of the LEN Family can be sure that the European Championships will be a real hit in June.

In the meantime, LEN also plays its part in contributing to the success of the event as we maintain providing travel and accommodation assistance for our national federations. This further strengthens the base of European Aquatics which is firm enough to ensure a constant improvement for the federations, athletes, coaches and officials.

May I wish good luck for all, especially for the organisers and the athletes while preparing for this fantastic showcase – see you all in June in Kyiv!

**Paolo Barelli**  
**LEN President**
